Tiger Prints

Foreword

It has been said that one opens a book with anticipation and closes it with profit. The basic idea in planning the TIGER PRINTS has been the creation of a book that meets these requirements.

Joyful times and thoughtful moments are put into this book. A smile here, a tear there . . . happy days but sad ones, too. A basketball season to remember . . . our 7th Superior rating for the band at the State . . . the great Senior Play . . . and the last Graduation to take place here. Many moments have happened that no one will forget. The staff only hopes that we have captured most of them.

The staff hopes you will begin reading the history of this year with a great deal of anticipation. When you close the book, it is hoped that you will have reaped a profit of renewed memories of the days of the old Red and White.

This is the last year for the Scipio-Republic School and for the Tiger Prints. We hope you will enjoy, keep, and cherish this book and always remember R.H.S.

Dedication

We, the Tiger Prints Staff of 1970, dedicate this final annual of the Scipio-Republic High School to all those who have contributed in anyway to the success of this school. We thank our parents, faculty, fellow students, and alumni. Thank-you!

ADMINISTRATION

Superintendent

Donald H. Fischer

In retrospect, I must say this has been one of the finest years for the students and staff of Scipio-Republic during my tenure.

Being the Superintendent during the final year of the high school has been a rewarding experience. Our school gained strength through the years to the very last. We shall pass this heritage on with our graduates and school.
